

Market of Ideas – Creative thought opens innovation!

Dear Friends!

On behalf of Estonian Lions and Leos, the organizers of Lions Europa Forum 2019, we would like to invite you to take part at the **Market of Ideas in Tallinn, Estonia!**

Join us via our social media, homepage and direct contact with the Estonian Lions and Leos. Involve your friends from your club and beyond to make sure that they do not miss this event! Together we can make these connections work.

Let's shake hands on our friendships!

Together, we will honor the old traditions but mix them with fresh ideas. Just like in our small Estonia - a place where history meets the future, where fresh air, untouched nature and short distances are combined with the friendliness of the people and the new innovative mindset: Skype, e-residency, Transferwise and all the other inventive startups that aim to change the world.

This is also our attitude we want to bring to our Europa Forum in Tallinn - fresh ideas, a warm hello and clear actions.

Let's use our collective brainpower, share experience and ideas, so that whoever needs our help would know that there is always the way forward.

The Market of Ideas will be opened in October 2019 in Tallinn, Estonia.

This will be an event you do not want to miss - the warm-up at the historic Tallinn Creative Hub *Kultuurikatel*, evening reception next to a legendary submarine, Lions parade and joint sing-along will be something to remember forever!

Let's meet at the Market of Ideas!
