

Tour to Tartu-city of good thoughts 30.09-3.10

A home to one of Northern Europe's oldest universities, Tartu has a wealth of museums (such as Estonian National Museum) and an upbeat nightlife. Me and my LEO friends invite you to enjoy a relaxing sail on the river Emajõgi in a Hanseatic timber vessel Jõmmu together with national songs and delicious homemade cookies made by Leos.

On the way to Tartu, we will visit Lahemaa national park, which serves as an authentic taster of natural and cultural landscapes in Estonia, Rakvere with its impressive 13th century castle ruins, Peipsi Old Believers villages, Alatskivi Castle. On the way back to Tallinn, you can get familiar with different workshops and activities associated with them such as smithery, handicraft, linen and patchwork.
